2025-2026 Our Lady of Lourdes In-Parish Tuition Application FAQs

1. **Do I need to complete a new form if my family has received the In-Parish tuition rate in the past?** *Yes. All families apply annually. This allows for both the families to make adjustments to their stewardship preferences and the parish to review the participation of each family each year.*
2. **Do parish volunteer hours count towards my required school stewardship hours?** *Yes. Our Lady of Lourdes Catholic School & Little Blessings Preschool are part of our parish community. Please remember to log any school or parish volunteer hours online in your FACTS family portal.*
3. **Our Lady of Lourdes is not my home parish, but my child attends school here. Is my family eligible for the reduced In-Parish tuition rate?** *Many other local parishes offer subsidies for Catholic education for children to attend Our Lady of Lourdes. Please check with your home parish for requirements & to apply.*
4. **My family is in need of the reduced In-Parish rate but are not able to volunteer. Are we still eligible?** *Parish approval for the In-Parish tuition rate is a partnership with families not a grant. The parish assists in reducing your tuition cost for your child/ren's Catholic education in exchange for your active participation in the life of the parish. This mutual arrangement ensures that both the children and the parish continue to grow and thrive. Please explain any extraordinary circumstances on the In-Parish application.*
