

# Our Lady of Lourdes Catholic School

## 2026–2027 Uniform Guidelines (K–8)

---

### PURPOSE

Our Lady of Lourdes Catholic School students are expected to wear uniforms that reflect neatness, modesty, and respect for our school community. Uniforms promote consistency and help students be recognized for their character rather than their clothing choices. Students are encouraged to take pride in their appearance while expressing themselves within the uniform guidelines. Please label all clothing with the student's name.
